

CHILDHOOD VACCINATIONS

We aim to fully vaccinate all our young patients. Vaccinations are carried out during normal surgery times.

CHILD HEALTH

We carry out a full range of child health surveillance for all our under fives.

MINOR OPERATIONS

These are performed at the surgery through direct arrangement with your own doctor.

FAMILY PLANNING

All the doctors have family planning qualifications and experience. We are pleased to give advice during normal surgeries.

CERVICAL SMEARS

Ladies! Please have a smear every 3-5 years until you are 64. We do our best to remind you. If we forget, please tell us. This can be carried out by the practice nurse.

TETANUS VACCINATION

Storrington is full of gardeners and tetanus bugs! It is important that you are fully immunised. If you have not had a tetanus vaccination or you are unsure, please ask to speak to the nurse.

A&E

Minor injuries can be seen at the Surgery during opening hours or a Horsham Hospital Minor Injuries unit. A 24 hour A&E Department is available at Worthing Hospital and at St Richard's Hospital in Chichester.

CARERS

We may be able to help you. If you are being cared for or you are caring for someone please inform a receptionist.

PREFERENCE OF PRACTITIONER

As a patient you have the right to be registered with a named doctor or change your doctor. Please be aware that it may be necessary to see another doctor in the practice if your need is urgent.

THE PRACTICE AREA

This includes Storrington, Ashington, Washington, Thakeham and West Chiltington

SURGERY CONSULTATION TIMES

Opening Hours

08.30 – 18.30 Mon - Fri

Doctors Appointments

Mon – Fri 09.00 – 11.40 and 16.30 – 18.00

Treatment Room Nurse Appointments

Mon – Fri 08.30 – 18.00

For details of other nurse led clinics please enquire at reception

There may, at times be minor alterations to basic surgery times

Booked appointments to see the doctor are available outside of normal working hours.
Please ask at reception for details

HOW TO SEE YOUR DOCTOR

We use an appointment system during the week for morning and evening surgeries. These can be arranged personally or by telephoning the surgery

Monday appointments are booked on the day. Urgent same day appointments are available. Please help us by only asking for urgent appointments when it is really necessary and telephone as early as possible in the morning.

TELEPHONING YOUR DOCTOR

If you would prefer to speak to your doctor on the telephone rather than making an appointment please mention this to the receptionist.

OUT OF HOURS

The doctors will always see urgent cases the same day as we endeavour to alleviate the demand on the Out of Hours services.

However should you need a doctor when the surgery is closed, you will be advised to contact 111 Out of Hours service.

REPEAT PRESCRIPTIONS

PLEASE NOTE that 48 hours notice is required.

Requests for repeat prescriptions are **not accepted over the telephone** (other than in emergencies) as our aim is to keep the telephone lines free for urgent incoming calls.

Requests for prescriptions can be made at Reception or via the internet. Prescriptions may be collected from the surgery, or posted to you. Please enclose an s.a.e. with the request. Local pharmacies will collect your prescription from the surgery but please note that they do require **5 working days** to process them. Please enquire at reception for details of other options which may be available to you.

HOME VISITS

These are for patients too ill to attend the surgery. We hope that patients will come to the surgery if at all possible. This means that the patient is usually seen more quickly and makes best use of the doctor's time. Please request visits before 10am.

MINOR ILLNESS CLINICS

Appointments are available to see our Nurse Practitioner.

PRACTICE NURSES

The Nurses and Health Care Assistants have appointments available during the day. They are able to offer advice and carry out a wide range of health care services including minor injuries.

DIABETES CLINIC

Appointments are available to see our Diabetic Nurses.

DISTRICT NURSES

District Nurses provide a wide range of nursing services for housebound patients.

If you require help with physio, equipment or nursing care please phone

One Call 01903 254789

HEALTH VISITORS

Health Visitors provide advice for children, expectant mothers and the elderly.

Worthing Hospital - Bramber Ward

VIOLENT OR ABUSIVE PATIENTS

We aim to treat our patients courteously at all times and expect our patients to treat our staff in a similarly respectful way. We take seriously any threatening, abusive or violent behaviour towards any of our staff or patients. If a patient is violent or abusive they will be warned to stop this behaviour. If it continues we will exercise our right to take action to have them removed
