

ADULT BLOOD TESTS

WORTHING, SOUTHLAND AND ST RICHARD'S HOSPITALS

The Phlebotomy service for blood tests is provided at Worthing Hospital, Southlands Hospital in Shoreham, and St Richards Hospital in Chichester.

Please ensure that you take your blood request form/labels, given to you by your requesting clinician, with you when you attend otherwise they will not be able to carry out the procedure. Please also ensure you attend at the required date & time for your appointment otherwise they may have to rebook you in at another time.

Do ensure that you follow any instructions given to you by your requesting clinician, such as fasting requirements or specific booking times and/or days.

CHILDREN'S BLOOD TESTS

WORTHING AND ST RICHARD'S HOSPITALS

To improve the service of booking children's blood tests at Worthing and St Richards Hospitals, University Hospitals Sussex have harmonised their adult and children's blood test services onto one website.

If you require a Paediatric blood test, for children between the age of 1 and 14 years old, you can now book online at the website below:

<https://www.uhsussex.nhs.uk/services/blood-tests/>

Blood tests for children are by appointment only. This service is only available at St Richard's and Worthing Hospitals.

Please ensure that you take your blood request form/labels, given to you by your requesting clinician, with you when you attend otherwise they will not be able to carry out the procedure.

If your child requires a numbing cream please ensure it applied according to the instructions and at the time recommended prior to blood test.

Alternatively book your child's blood tests by telephone:
