Dear Patients

I wish to inform you that I will be leaving the Glebe Surgery at the end of December.

It has been a bitter-sweet decision but I am leaving to pursue other interests.

I have enjoyed working at the surgery for the past three years and the staff and patients feel more like friends so it is with some sadness that I am leaving.

Dr Dave Murphy, who joined the surgery in September, will be taking over my list of patients and increasing his days worked per week from two to four. I know you will be in good hands.

I would like to thank you, the GP Partners and all the staff I have worked with. I will leave with wonderful memories of working at a great practice.

Best Wishes

Dr Faye McWilliam
