March 2025

Dear Patients

**GP UPDATE**

**We are delighted to announce we have another GP joining the Practice.**

Dr Virginia Arasakesary begins working with us on Tuesday 11<sup>th</sup> March and will be taking over Dr Laura Wollaston's/Dr Dave Murphy's patient list. Dr Virginia, as she likes to be known, will be working two days per week. These days will currently be Tuesdays and Fridays, but could be subject to change.

She has extensive experience working as a Locum GP in urgent Treatment Centres and Extended Primary care hubs across different locations. Dr Virginia is a very dynamic and adaptable GP.

Dr Virginia lives in West Sussex and is married with two young children.

**In January of this year, we were very lucky to have two more GPs join our Practice, whom many of you may have already met.**

Dr Tariq Jahangir took over Dr Keir Newsom's list at the beginning of January, working four days per week Monday – Thursday. Dr Tariq has significant experience working as a GP in Primary Care. He has lived and worked locally in West Sussex for over 20 years.

Dr Adriana Kostopoulos is a newly qualified GP with a strong foundation in patient-centred care. She will be working at the Glebe on Tuesday and Thursday each week. Dr Adriana is eager to contribute her skills and experience to a progressive, community-focused practice such as the Glebe. Dr Adriana does not currently have her own list of patients.

Dr Adriana also lives in West Sussex with her husband and young child.

We are still in the process of recruiting a replacement for Dr Faye McWilliam.
