

PPG (Patient Participation Group) Briefing Notes January 2026 for Patients' Information

The last PPG meeting was held on Tuesday 13 January 2026 and the following items were discussed:

General Practice Updates

Vaccination Campaign

Autumn COVID/flu campaign – Clinics all went well. More flu take-up vs covid

Complaints and Feedback

These continue to be low. Seven in total for the last quarter. Details, together with actions taken to prevent similar issues going forward, & trends will continue to be monitored.

Car park alteration

The Landlord has had plans drawn up to widen the entrance to the patient car park. The Surgery is awaiting confirmation of when the work will go ahead.

PPG Structure

The policy document has been adopted. Liability insurance is in place. The Committee are working towards achieving charitable status - so it can raise fund for the benefit of the patients.

Activities & Services for Older People.

The Help Scheme had noticed several people were unaware of what else is available locally, especially for housebound and those who live alone. The Storrington Community Partnership has produced a leaflet - **Activities & Services for Older People** - giving all the details. A link will be placed on the Glebe website.
