## **Practice Announcement: Welcoming Our New Partner**

We are pleased to share some exciting news about the future of the Glebe Surgery.

After several years of dedicated service as a Salaried GP, **Dr Amy Garrett** has now been appointed as a **Partner**. Many of you will already know Dr Garrett for her commitment to patient care, her approachable manner, and her contributions to the practice team.

This appointment reflects both Dr Garrett's ongoing dedication to our patients and the practice's long-term commitment to providing high-quality, patient-focused care. As a Partner, Dr Garrett will play an even greater role in shaping the services we offer and supporting the continued development of the practice.

We hope you will join us in congratulating Dr Garrett on this new chapter.
