Seasonal Influenza Autumn Booster 2026 Campaign

We are pleased to confirm that we are now offering patients appointments to have their Seasonal Influenza Autumn Booster vaccinations.

The following clinic dates are being provided:

- Saturday 3 October (Over 75 years combined with Covid vaccination)
- Saturday 17 October (Over 75 years and Immunosuppressed combined with Covid vaccination and 18 – 75 years At Risk)

We will also be running mid-week afternoon clinics from the 19 October

Text invites are being sent to all eligible patients and will contain a link allowing you to book. Any eligible patients that we can't text will receive a call or a letter.

If possible, please wait for us to contact you. We are aware that there are long waits to speak to a receptionist, and by waiting for us to contact you, you are helping to keep the wait times down as much as possible.

The following people are eligible for an Autumn Seasonal

From 1 September 2026:

- Pregnant women
- All children aged 2 or 3 years on 31 August 2026
- Primary school aged children (from Reception to Year 6)
- Secondary school aged children (from Year 7 to Year 11)
- All children in clinical risk groups aged from 6 months to less than 18 years

From 1 October 2026

- Those aged 65 years and over
- Those aged 18 years to under 65 years in clinical risk groups (as defined by the [Green Book, Influenza chapter 19](#))
- Those in long-stay residential care homes
- Carers in receipt of carer's allowance, or those who are the main carer of an elderly or disabled person
- Close contacts of immunocompromised individuals
- Frontline workers in a social care setting without an employer led occupational health scheme including those working for a registered residential care or nursing home, registered domiciliary care providers, voluntary managed hospice providers and those that are employed by those who receive direct payments (personal budgets) or Personal Health budgets, such as Personal Assistants
